DETAILED ACTION

Amendment

1. Receipt is acknowledged of the amendment filed 21 June 2007.

Examiner appreciates applicant's response to the Ex-Parte Quayle Action.

However, upon further review, one of the claims (claim 35) is an improper multiple dependent claim. Hence, a non-final rejection is being set forth. Examiner apologizes for any inconvenience to the applicant.

Claim Objections

2. Claim 35 is objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim should refer to other claims in the alternative only (i.e. claim 35 makes reference to two sets of claims to different features, which is improper). See MPEP § 608.01(n). Accordingly, the claim has not been further treated on the merits.

Allowable Subject Matter

3. Claims 1-2, 4-17, 26-34, and 38 are allowed.
4. The following is a statement of reasons for the indication of allowable subject matter: Applicant overcame 35 USC 101 rejection. In addition, the best prior art of record, Wen, fails to specifically teach the further clarifying methods steps of providing assistance through a product registration/identity, etc. Further, Wen fails to teach the steps of acquiring the location information of the indicating data.
